

HOTSAUCE POS

Mobility + Speed

The HotSauce Register is a testament to cutting-edge design and efficiency in the point-of-sale world. With its ultra-slim profile, it's perfectly tailored for locations where counter space is at a premium.

But don't let its sleek design fool you; this register is power-packed. It seamlessly supports up to three displays with room for a customer-focused display and even a third monitor dedicated to digital signage.

Features

- Ultra-Slim Design
- Triple Display Support
- Rotatable Display
- Collapsible Base
- 15" Touch Screen
- Dual LAN

No Bezel 15" Display

Providing users with a clear, expansive view.

High-Speed SSD

Significantly boosting processing speed.

Folding Base

Seamlessly adapting to various counter designs.
